Millions of people have learned to SCUBA dive and gone on to discover the wonders of the aquatic world through this course.

### Why choose the PADI Open Water Diver course?

- It has been designed to build confident and motivated divers.
- Is student centric, not instructor centered.
- Ensures plenty of time for skill development and practice.
- Follows student paced training.

### Why choose Scubaversity?

- Onsite training pool with various levels up to 5 meters deep.
- All training will be conducted by a PADI Instructor, educated to the very highest PADI Standards.
- No more than 4:1 student to instructor ratios.
- Divemaster on all dives to add to safety.
- Personal course tailoring.
- Unlimited classroom time.
- Pool sessions will be conducted over **at least** two days.
- **Unlimited** Confined Water sessions and extra buoyancy practice sessions to ensure your comfort and confidence.
- **Four separate** Open Water dives over **at least two separate days**.
- Oxygen, First Aid kit and trained personnel available on all courses.
- A dedicated SCUBA gear, computer and travel overview evening.
- Try Dive vouchers for family and friends.
- Equipment gift vouchers.
- Money back guarantee\*.

\*We are not the cheapest PADI Open Water course you will find on the market and don't want to scare you away with this statement. However you are embarking on one of the most exciting journeys ever, so we have to make sure that you enjoy every single moment which we offer through our unique one of a kind facility and amazing tribe. In order to keep on diving and enjoy it you have to feel completely safe at all times. **Thus we pride ourselves in creating competent, confident and comfortable divers in the pool!** We will not let you jump until you feel completely safe and know that you will be a diver that can look after yourself!

### Training Safe Divers is our Priority

The correct theory put into continued practice so that it becomes instinctive, makes you a **SAFE** diver.  
Using the correct gear that fits you well and becoming familiar with its use, makes you a **COMFORTABLE** diver.  
Small ratios, exceptional facilities and excellent instructors, together with continued practice of your skills, makes you a **CONFIDENT** diver.

### The PADI Open Water Diver course consists of three main phases:

- Knowledge Development (online, independent study or in a classroom) to understand principles of SCUBA diving.
- Confined Water dives to learn basic skills.
- Open Water dives to use your skills to explore!
